

RACIAL JUSTICE RISING AND VISIONING B.E.A.R. PRESENT A TWO PART WORKSHOP

What is the World We Wish to Build: Solidarity in a time of Supremacy

- We are confronted with racism: What is it? What are our learned answers? Is it a social construction or biology? What does it look like in the world today... in the U.S....in our everyday lives?
- What do we want? How do we build it? We will explore these issues, determined to find courses of action. We will all commit to a place of openness, fearlessness and community when we delve into these issues.

This **two part** workshop is free but there is a \$10 registration fee which is expected with your registration. This fee can be waived or reduced for folks who would be prevented from attending due to cost. **Space is limited and participants are expected to attend both days. We especially hope that high school and college age people will attend.**
